

# Caterpillar Good Samaritan Book

## What you will need:

Paper  
Colored Paper  
Crayons  
Glue  
Scissors

## How to Make:

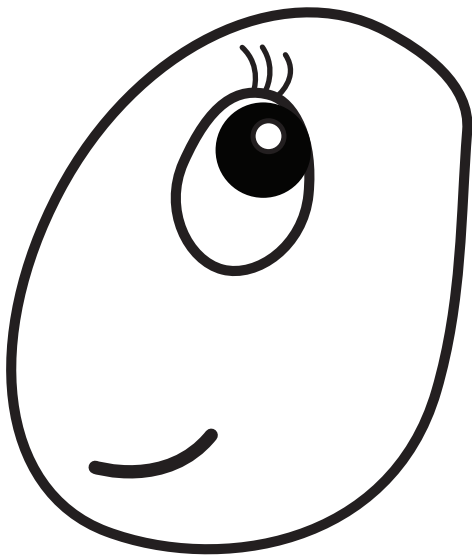

1. Print out the caterpillar book patterns and make copies.

### **Caterpillar Book Pattern 1**

### **Caterpillar Book Pattern 2 (Set of 2)**

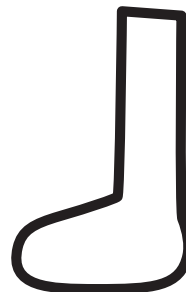

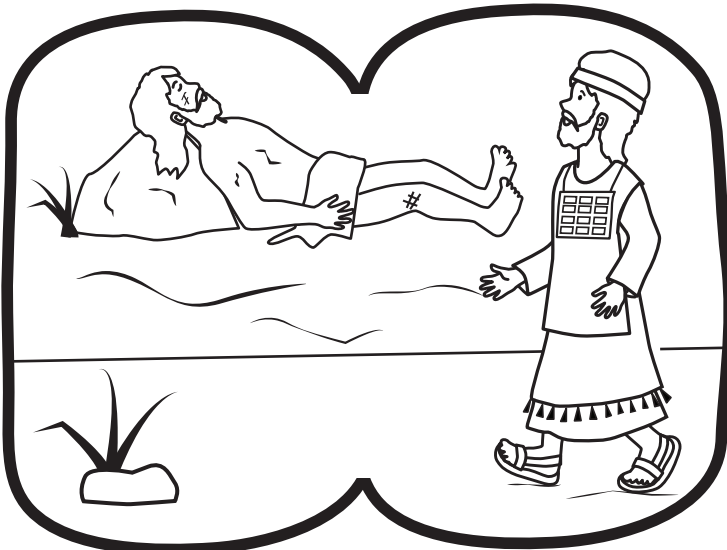

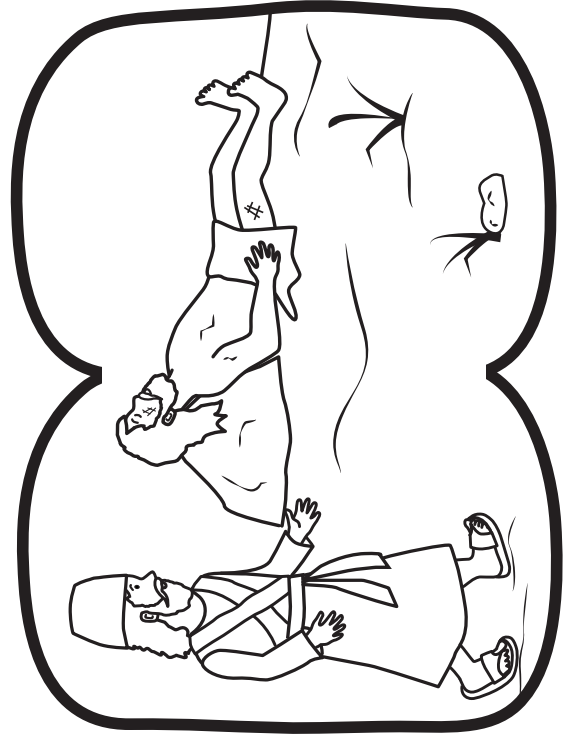

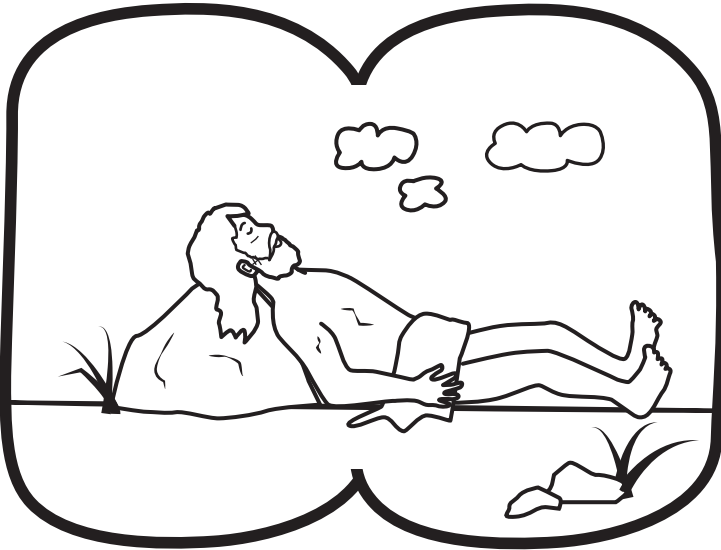

2. Cut out the patterns. Use the foot pattern as a template to cut feet from colored paper. Cut antennae from black construction paper. Cut long strips of construction paper one inch wide.

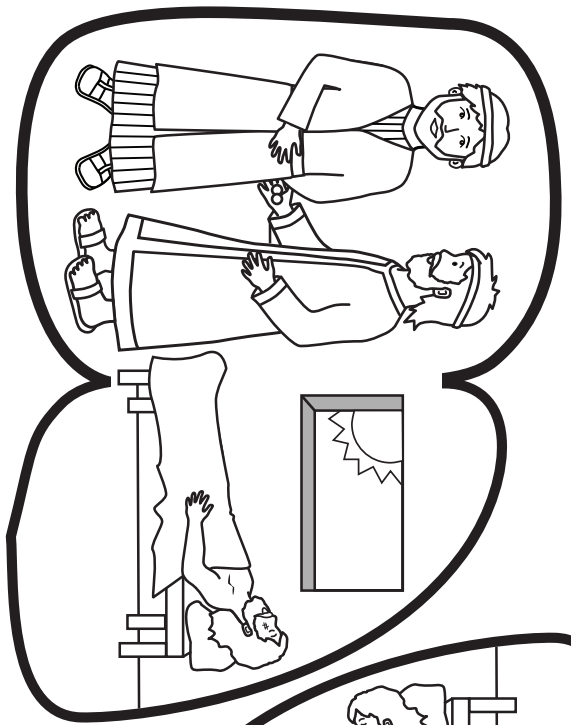

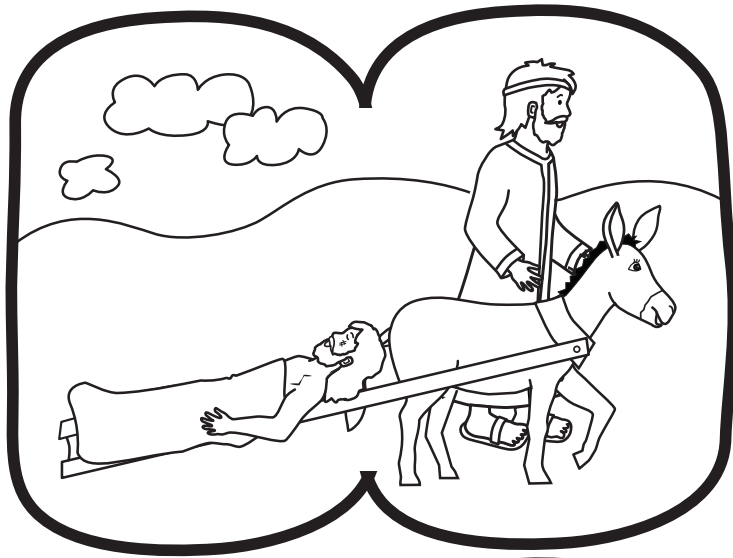

3. Have your children glue the head of the caterpillar and the pictures in order of the story to the strip of paper to make a caterpillar. When they are finished have them glue on feet and antennae. Show the children how to fan-fold the caterpillar to make a book.

# The Parable of the Good Samaritan

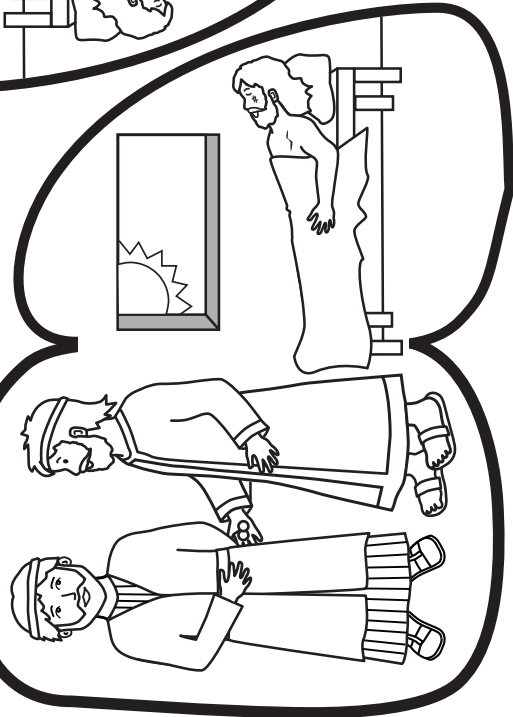

Luke 10:25:37

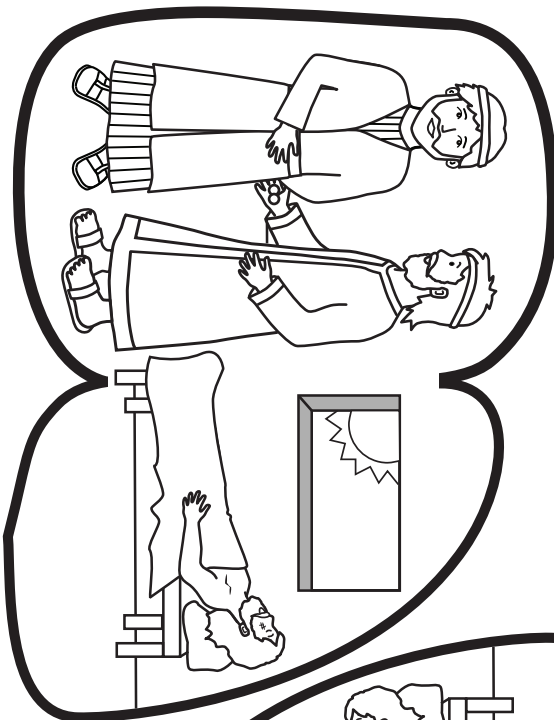

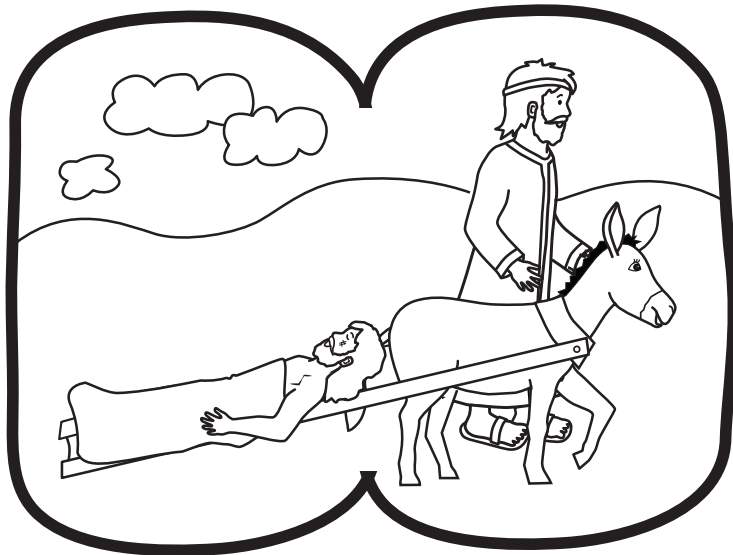

"Which of These Three  
do you Think was a  
neighbor To The man who  
fell inTo The hands of  
Robbers?"
