

FOLLOWING IN JESUS' FOOTSTEPS

How to make:

1. Print out the title page and two copies of the bottom pattern.
2. Have the children color the feet and stars. Tell them not to color over the lines so they can write on them.
3. When the children are done coloring tape the two bottom pages onto the title page and write the child's name at the top if the child isn't old enough to write.
4. Ask the child if he can think of something he/she did today that was following in Jesus' steps, like being kind, helping someone, sharing, or obeying. When the child has thought of something write it at the bottom of the poster. Roll it up and secure it with a rubber band.

This poster can then be completed and put on the refrigerator or someplace where the children will be reminded of their following Jesus. They can add something each day.
