

Make a Hosanna Egg Holder

What you will need:

Plastic or Real Eggs
Card Stock (Heavy Paper)
Colored Pencils
Tape
Scissors

How to make:

1. Print out the pattern onto card stock and cut them out.
2. Color the patterns and then tape the feet pattern into a loop so that they fit around an egg and tape the palm branches into the hands of the boy.
3. If you are using plastic eggs, you can place some treats inside the eggs before placing them in the egg holders. You can use real eggs and have your children decorate them before placing them in the holders.

Hosanna!
